

Access and Inclusion Statement

At the Bush Christmas Exhibition, we are committed to fostering an environment that celebrates creativity, diversity, and inclusivity. Our annual 10-day arts and crafts exhibition is designed to be welcoming and accessible to everyone, ensuring that all visitors, participants, and contributors can fully enjoy and engage with the event.

We strive to provide:

- **Physical Accessibility:** Venues are wheelchair-friendly, with accessible parking, restrooms, and pathways.
- **Inclusive Communication:** Clear signage and information, and assistance for those with sensory needs.
- **Supportive Services:** Trained staff and volunteers are available to assist with navigation, interpretation, or any special requirements.
- **Welcoming Atmosphere:** A safe, respectful space for individuals of all abilities, cultural backgrounds, genders, and ages.

We are dedicated to continuously improving our accessibility efforts and welcome feedback to ensure everyone feels included. Together, we can create an enriching experience that celebrates the artistry and craftsmanship of our vibrant community.

For specific accessibility inquiries or assistance during the event, please phone 0409 814200.
